Dr. Champion's
VEGETABLE
AGUE MEDICINE,
A SAFE and CERTAIN CURE for
CHILL and FEVER.
In all its complicated forms. Also, an ef-
fectual remedy for

Fever of every description
This Medicine has been before the pub-
lic for a number of years, and the benefi-
cial effect so fully developed, that the de-
mand for the Pills has increased to a very
great extent. For although the Proprie-
tor has manufactured near HALF MIL-
LION Boxes during the past year, he has
not been able to supply many parts of the
country. This Medicine may be relied on
in all cases to cure the Chills and Fever
the first day.

Bilious Fever, Typhus Fever, Winter
Fever and Scarlet Fevers, all yield to the
use of this Medicine, and are cured by
this system of practice, in a shorter time,
and with much more certainty than by any
other system that has been recommended.
Each box contains twenty-four pills,
twelve of which will cure any ordinary
case of Chills and Fever. A Pamphlet ac-
companies each box giving full directions
and numerous certificates of the efficacy of
these Pills. Price reduced to \$1 per Box.

ALSO,
Dr. CHAMPION'S
Vegetable Anti-Bilious,
Anti-Dyspeptic, Purifying,
and Cathartic
PILLS.

Possessing four important combined
properties for the cure of diseases, care-
fully and correctly combined, one article
to assist the effect of another, for the
benefit of the health of mankind.

The Proprietor asserts, and without fear
of contradiction, the demand for these pills
is not equalled by any Medicine in the U-
nited States. He has in his possession
great numbers of certificates, of the most as-
tonishing cures that have been effected by
the use of these pills.

They are recommended to the attention
of those afflicted with Liver Complaint,
Dyspepsia, Bilious habits, Constipation,
Cholera Morbus, Rheumatism, Scrofula,
Foul Stomach, Depraved Appetite,
Worm, Jaundice, Headache and Sick Stomach,
Palpitation of the Heart, Diarrhoea,
Nervous affections, obstructed Menstrua-
tion, Dysentery or Flux, Heart Burn,
White Swelling, and all those diseases arising
from impure blood.

Price twenty-five cents per box. A pam-
phlet accompanies each box with full direc-
tions and ample testimonials of the good
effects of these pills.

This is to certify that we have used Dr.
Champion's Vegetable Ague medicine,
and also, his Vegetable Anti-Bilious, Anti-
Dyspeptic, Purifying and Cathartic pills,
in our families for a number of years, and
have also, learned much of their celebrity
from great numbers of persons who have
used them in their families. We do think
them very efficient and valuable medicines
for the cure of diseases for which they are
recommended:

DR. LE ROY'S
Vegetable Universal
PILLS.

THE startling drawback on nearly all
medical agents has ever been that in
their process of purification and purification
they have also DEBILITATED THE SYSTEM.
Hence purgative medicines have always
been regarded as at best but a "necessary
evil," patients resorting to them for the
relief of one disease at the expense of ANOTHER.
To obviate this Physicians have long
sought for an agent that would at the SAME
TIME PURGE, PURIFY and STRENGTHEN,
but their efforts were nearly fruitless, and
they had almost despaired of success when
the labors of science and research were
rewarded by a discovery which fully re-
alized the fondest desires of the Medical
Faculty, and which is justly regarded as
one of the most important triumphs of
pharmacy ever achieved. This impor-
tant desideratum is named.

Dr. Le Roy's
Vegetable Universal Pills,
Which purify the blood, and remove all
corrupt, and vitiated humors, and un-
healthy accumulations from the body in a
manner never before revealed, and which
yet produce no weakness or lassitude
whatever, but on the contrary tone the
stomach, and invigorate the constitution
during the progress of their operations!
Dr. Le Roy's Pills, in fact unite those
heretofore irreconcilable, but most desir-
able qualities, *evacuation and invigoration*
for they are at the same time a STRONG
PURGATIVE, AND A PURIFYING TONIC.
The two principal ingredients in Dr.
Le Roy's Pills are

WILD CHERRY AND SASSAPARILLA,
So prepared that each promotes the benefi-
cial effect of the other, the former strength-
ening, while the latter, through its union
with various vegetable ingredients, evacu-
ates, and purifies; thus they superinduce
no torpidity or lassitude of the digestive
functions, and hence their operations are at-
tended by no reaction, or subsequent ex-
haustion.

Dr. Le Roy's Pills are the most active
and safe medicine in existence. They
at once attack the very root of disease, and
their action is so prompt, that in an hour
or two after they are taken, the patient is
aware of their good effects. They not only
operate on the blood, but also on the chyle,
of which the blood is formed, and this se-
cures good blood from the fountain head,
moreover they produce neither nausea,
griping or debility, and as a family medi-
cine they have no rival.

The following certificate is from the Rev.
E. L. Frazier, of Kershaw District, S. C.
I have used in my family Dr. Hull's
Fever and Ague Pills, and also Dr. Spen-
cer's Vegetable Pills, for the last two years,
and have no hesitation in pronouncing them
to be the most excellent family medicines;
and as an act of justice to the worthy pro-
prietors of those invaluable pills, I will
state for the information and satisfaction of
all concerned, that my wife, prior to our
marriage, had been more or less the subject
of chills and fever, for about eighteen
months, having tried various remedies
without success, and was very much re-
duced in flesh. A few days after our mar-
riage, she commenced with Spencer's Pills,
and in a day or two afterwards with Hull's
Pills; she used about half a box of each;
her result was a radical cure; she regained
her health and strength very rapidly, and
has had no return of chills and fever
since. I believe these medicines to be
valuable and safe, and when used as spe-
cially directed are attended with sat-
isfactory results. **E. L. FRAZER,**
